

Annual Budget Report and Allocations 2025 (Confidential)

Executive Summary

The 2025 operating budget totals 24.6 million EUR, an increase of 8% over 2024, driven primarily by engineering headcount growth and cloud infrastructure investment.

Department Allocations

Engineering is allocated 11.2 million EUR (46%), Sales and Marketing 5.4 million EUR (22%), Operations 3.1 million EUR (13%), HR 1.8 million EUR (7%), Compliance 1.3 million EUR (5%), and a contingency reserve of 1.8 million EUR (7%).

Capital Expenditure

Capital expenditure of 2.4 million EUR is approved for data centre hardware refresh and security tooling. All capex above 100,000 EUR requires CFO approval.

Quarterly Phasing

Spend is phased roughly evenly across quarters, with a planned uplift in Q3 for the annual hardware refresh and conference season.
