

Q1 2025 Expense Report (Confidential)

Summary

Total Q1 operating spend was 5.9 million EUR against a budget of 6.1 million EUR, a favourable variance of 3.3%.

Major Categories

Cloud infrastructure accounted for 1.7 million EUR, salaries 3.4 million EUR, travel 0.21 million EUR, software licences 0.34 million EUR, and facilities 0.25 million EUR.

Notable Variances

Travel was 35% under budget due to a continued shift to virtual conferences. Cloud spend was 6% over budget because of additional capacity provisioned during the April search outage remediation.

Controls

All expenses above 5,000 EUR require manager approval; above 25,000 EUR require Finance director approval and a purchase order.
