

Hiring and Recruitment Guidelines (Confidential)

Scope

These confidential guidelines govern how hiring managers conduct recruitment to ensure fair, consistent and legally compliant hiring decisions.

Structured Interviews

Every candidate must be assessed against a predefined scorecard. At least two independent interviewers are required, and interviewers must submit written feedback within 24 hours.

Compensation Bands

Offers must fall within the approved compensation band for the level. Engineering L4 bands are 72,000 to 88,000 EUR base. Exceptions above the band require Finance and HR director sign-off.

Non-Discrimination

Hiring decisions must never be based on protected characteristics. All recruitment data is retained for 12 months for compliance audit purposes.
