

Remote and Hybrid Work Policy

Overview

Acme Corp operates a hybrid working model. This policy defines eligibility, expectations and security requirements for remote work.

Eligibility and Schedule

Employees may work remotely up to three days per week. At least two days per week must be worked from a company office to support collaboration. Fully remote arrangements require VP approval and are reviewed every six months.

Equipment and Security

Remote workers must use company-issued laptops with full-disk encryption and the corporate VPN for all access to internal systems. Public Wi-Fi may only be used together with the VPN.

Expectations

Remote employees are expected to be reachable during core hours (11:00 to 16:00), keep their calendars up to date, and attend on-site team meetings when requested.
